

Pettigrew Tract

Murray Tract, LLC

Darlington County - 1,044 acres

With over 1,000 acres of forested wetlands, bottomland hardwood forests, pine flatwoods, and cypress-tupelo swamps, the Pettigrew Tract contains significant wildlife habitat for a variety of species. The protected property is situated upstream of Whipple Landing on Lowther's Lake, a public access oxbow lake maintained by the SC Department of Natural Resources and utilized by fishermen and paddlers.
